Kyiv, Ukraine

EXPERIENCE

International Sales Manager

Fast technologies

10/2017 - 12/2017 Kyiv, Ukraine

Fast company is aimed on selling software. They have partners from Canada, UK, Germany.

- My role was to make calls, consult and sell software. The job gave me a lot of communication and sales practise.

Volunteer in English Camp

CCX CCX English Department in Lviv city, Ukraine

2017 - Ongoing Lviv, Ukraine

CCX is American non-profit voluntary company. The main company's purpose is to help students enhance their potential.

- I helped with preparation to English Camp for students and was a participant at the same time what gave me huge English practise and developed my personal skills.
